Observation deck and loading area, Cleveland Hopkins International Airport. Site of National Aeronautics and Space Administration, Lewis Research Center, Cleveland, Ohio.

We arrived here at 10 min after two o'clock we left here at 3 o'clock. We just had coffee from Allentown to Cleveland. It was 48° degrees here I'm sure glad for sweater. I guess I soon won't have to use it. We had a nice fly from Allentown. Now I'm getting anxious to get there.
